Student Agreement (copy only)

As a senior student at St Joseph's Catholic College Aberdeen receiving this Year 11 Assessment Student Handbook, I am undertaking the responsibility to follow the procedures outlined in this handbook.

- I have read and understood the Year 11 Assessment Information Student Handbook, Catholic Schools ROSA Assessment Guidelines (TBA), Catholic Schools HSC Assessment Guidelines, the SJCCA - Statement of Practice – ROSA Assessment (TBA), the SJCCA - Statement of Practice – HSC Assessment and the SJCCA - Statement of Practice - Academic Malpractice and Collusion.
- I understand that:
 - attendance is a requirement of NESA to be eligible for the Preliminary Year.
 - I must apply myself with diligence and sustained effort to the set tasks and experiences provided in the course by the school, especially all assessment tasks.
- Wherever possible, I am to complete and present all assessment tasks by the due date and time; and to be present for those assessment tasks held at school.
- I understand that hand-in tasks are to be submitted by the designated due date and in some instances due time. Tasks submitted after the notified time will be considered **LATE** and may not be accepted.
- ***If I am unable to attend school on the day of an assessment task, I will ensure my parents/guardians place on Compass, phone (65437444) or email admin@aberdeen.catholic.edu.au the school by 8:45am and explain my absence and inform staff that I have an assessment due including the subject and task number.***
- ***If I am unable to attend or complete an assessment for reasons of ill health, injury or misadventure, I will obtain relevant supporting documentary proof (medical certificate/police report etc.) and complete a School-Based Assessment Variation Form (available in this handbook). I understand that the Assessment Committee will decide on the validity of my application.***
- ***If I am absent for an assessment task immediately upon my return to school, I will submit all supporting documents to the Executive Assistant and report to the relevant Leader of Learning, ready to submit or complete the task.***
- In the event of a known absence from school on the due date of an assessment task, which prevents submission, I understand that it is **my responsibility** to inform the relevant Leader of Learning at least **four (4) school days prior** to the due date of my absence and submit a School-Based Assessment Variation Form.
- I understand that sporting, cultural events or family vacations should **not** prevent the submission of tasks on time. If the task is an in-class task, I am required to inform the relevant Leader of Learning at least four (4) school days prior to the due date of my absence and submit a School-Based Assessment Variation Form.
- I understand all applications for Extension/Illness/Misadventure are subject to the approval of the Assessment Committee, and that by submitting the application there is no guarantee of it being endorsed or accepted by the Assessment Committee. The Assessment Committee must consider what is right and just for all students in the course.
- If I fail to hand in an assessment task by the due date, without reasonable explanation and supporting documentary evidence, I will be penalised with a **ZERO** mark. However, I understand that I will still need to complete the task to a suitable standard to fulfil the requirements of the course and my eligibility to sit the HSC examination for that subject.
- I understand that technical issues are not an excuse for failure to submit a task. It is my responsibility to back up all tasks.
- I understand that malpractice will not be tolerated, and I will only submit **ALL MY OWN WORK**
- I will be present at school the **day prior** to the submission or completion of a task. If I am unable to attend or complete an assessment for reasons of ill health, injury or misadventure, I will obtain relevant supporting documentary proof (medical certificate or police report etc.) and complete a **School-Based Assessment Variation Form** (available in this handbook and from Student Services).

Section 1 – General Information

1.1 – Welcome and Introduction

Congratulations on electing to participate in the Year 11 Course. To complete the Year 11 Course, you must successfully complete at least 12 units of Year 11 subjects. This will require a diligent approach to your studies and the conscious completion of all relevant assessment tasks outlined in this handbook.

The key to academic success over the next year is a positive attitude and a committed approach. Constant reference should be made to this document as it contains the information you need for approaching assessment tasks for each of your courses, and the number, type, outcomes and weightings of each task (all of which should be referenced from this handbook in preparation for each task).

This handbook also contains an outline of your rights and responsibilities as set out by NESA, including what to do if something goes wrong and what will happen if you fail to follow the guidelines set out. Also, there are some useful documents that may assist you during the Year 11 Course.

It is important that you read this handbook and ensure that you understand the information it contains. Seek clarification on anything that you do not fully understand.

The staff at St Joseph's Catholic College wish you the very best for the Year 11 year and hope that your hard work enables you to achieve your potential.

Section 2 – Assessment Requirements and Guidelines

2.1 – The Year 11 Course

Performance in Year 11 assessments is important as your preparation for the HSC Examination. The NSW Educational Standards Authority (NESA) has set requirements for both schools and students. (Syllabus and assessment information is available on NESA website: educationstandards.nsw.edu.au). Students must ensure they are aware of these requirements.

To be eligible for the award of the Higher School Certificate, students must:

- have gained the Record of School Achievement or such other qualifications as NESA considers satisfactory
- have completed HSC: All My Own Work (or its equivalent)
- have satisfactorily completed the Year 10 course that comprises the pattern of study required by NESA for the award of a ROSA
- sit for and make a serious attempt at the requisite examinations
- have met the HSC Minimum Standards.

Candidates for the Higher School Certificate must undertake a program of study consisting of at least 12 units of Year 11 Courses, and at least 10 units of HSC Courses.

Both the Year 11 and HSC patterns of study MUST include:

- at least six units of Board Developed courses
- at least two units of a Board Developed course in English
- at least three courses which are of two-unit value (or greater), and
- at least four subjects.

Note: To satisfy pattern of study requirements for the Higher School Certificate, a maximum of six Year 11 units and six HSC units can be counted from science courses.

2.2 – Satisfactory Completion

Satisfactory completion of a course involves participation in experiences, which are integral requirements of the syllabus including such things as assignments, class participation and practical work. **Students are required to complete all set tasks, not only those for assessment.** For the

Principal to deem them as satisfactorily completing the course, students must make a **serious attempt** at assessment tasks.

2.3 – Performance Descriptors

Schools are responsible for awarding each student a grade (A, B, C, D, or E) to summarise the student's achievement. The grade awarded is reported on the student's Record of School Achievement.

During the course teachers collect information on the achievement of each student. To allocate a grade to a student at the end of the course, teachers make a judgement as to which grade descriptor best describes the achievement of that student.

A	The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.
B	The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.
C	The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.
D	The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.
E	The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

2.4 – Scaling for the ATAR

Calculation of the Australian Tertiary Admission Rank (ATAR) is the responsibility of the Technical Committee on Scaling on behalf of the NSW Vice-Chancellors' Committee. NESA provides the HSC data (consisting of both the scaled Examination Marks and moderated Assessment Marks) from which the ATARs are calculated, and the Universities Admissions Centre (UAC) then advises individual students of their ATARs.

The ATAR is a number between 0.00 and 99.95 (with increments of 0.05). It provides a measure of overall academic achievement in the HSC, which assists universities in ranking applicants for university selection.

The marks awarded to each student in each course are re-adjusted taking into account the general ability level of the group of students doing each course. This general ability level of each group is calculated by considering their performance in all the courses taken by the group.

Only after this scaling process is it valid to add up the marks awarded to a student and use this total to calculate the ATAR. It is not possible to obtain the ATAR by a combination of the marks or percentile bands which appear on the Record of Achievement.

A candidate's ATAR is based upon the scaled aggregate of the marks in the best ten units of Board-Developed course, subject to the following conditions:

- The best two units of English must be included in the ATAR.
- The best eight units from the remaining Board-Developed Courses are included.

The ATAR is a rank, not a mark. The only purpose of the ATAR is to assist universities in ranking school leaver applicants for tertiary selection in a fair and equitable way. The ATAR should not be used for any other purpose. Further information is available on the UAC website: www.uac.edu.au

Section 3 – Assessment Policy and Procedure

3.1 – Assessment Procedures

A copy of the Schools HSC Assessment Guidelines and the SJCCA – Statement of Practice – HSC Assessment can be found on Compass – School Documentation – School Policies.

*Catholic Schools HSC Assessment
Guidelines*

*SJCCA – Statement of Practice – HSC
Assessment*

3.2 – Malpractice and Collusion

Malpractice and collusion refer to any action that gives students an unfair advantage over others. This includes, but is not limited to:

- copying in an exam from another student or using information secretly brought in
- sharing of your work with another student or handing in work that someone else did and saying it is your own
- making up journal entries for a research project or process diary
- using information from the internet or elsewhere and not acknowledging the source. This also includes the use of AI technologies. **The Schools HSC Assessment Guidelines and the SJCCA – Statement of Practice - Academic Malpractice and Collusion** outlines the acceptable use of AI technologies in assessments.

The Principal will ask the Assessment Committee to review any cases of suspected malpractice and recommend the appropriate action should malpractice be proven.

The student, in writing, must make any appeal against such a decision to the principal, within 24 hours of the decision being taken. If malpractice is proven, a mark of ZERO will be awarded.

SJCCA – Statement of Practice - Academic Malpractice and Collusion.

You will receive in writing by email confirmation of all process of the assessment variation.		

NB: Failure to follow the above may result in a ZERO mark for your assessment task

3.4 – 'N' Determination

Students undertaking the Year 11 Course must make a genuine/serious attempt to satisfactorily complete course and assessment requirements. These requirements include students applying themselves with diligence and sustained effort to set tasks and experiences provided for the course by the school, regardless of whether these tasks contribute to the final assessment mark.

Attendance is an integral part of satisfactorily completing a course.

It is a matter for the class teacher's professional judgment to determine whether a student has made a genuine attempt to complete these requirements. Students must make a serious attempt at assessment tasks that contribute in excess of 50% of the total assessment mark.

Students who are not meeting course and/or assessment requirements at any stage of the course will be informed, in writing, of the potential of an 'N' determination in the course.

Students and parents/guardians will be informed in writing, allowing sufficient time for the problem to be corrected, thus enabling the student to meet the course and/or assessment requirements satisfactorily. The school will retain copies of all relevant documentation.

Any student who is at risk of not meeting course and/or assessment requirements will be notified via official school documentation. The purpose of the warning is to give the student sufficient time and opportunity to correct the identified problem(s).

If a student does not meet course and assessment requirements in a Year 11 Course, an 'N' determination will be given. This means that the course will not be listed on the student's Record of Achievement, and it may also mean the possible withholding of the whole Higher School Certificate. Until a student has satisfactorily completed 12 units of Year 11 Courses and 10 units of HSC Courses which fulfil the NESAs pattern of study requirements, they will not be eligible for the award of the HSC.

In the case of Extension Courses, students who do not meet the assessment requirements of the co-requisite 2 Unit course will not receive a result in either course.

The final decision regarding any 'N' determination recommendation will be made by the Principal. Any student given an 'N' determination has the right to appeal against the decision. The appeal review will be conducted by the Assessment Committee. The outcome of the appeal will be notified to the student, the parents and NESAs.

3.4 – Assessment Appeals

Each student has the right to ask the class teacher to review an assessment task. If the student is dissatisfied with the response given, the Leader of Learning of the course involved should be consulted.

Disputes over an individual task must be resolved as soon as possible by the Assessment Committee. Note: The Assessment Committee will make recommendations to the Principal who is the final arbiter.

Where circumstances arise in the administration of the assessment of HSC courses not covered by the procedures described in this document, they should be referred to, and discussed with, the Principal for resolution.

3.5 – Disability Provisions

Disability provisions are arrangements designed to help students who could not otherwise make a fair attempt to demonstrate their knowledge in an examination room. The disability provisions are intended to reduce disadvantages in an examination situation. The provisions granted are determined by how the student's examination performance is affected.

Any student with a disability recognised in the Disability Standards can apply for disability provisions. These provisions apply to students who qualify on the grounds of a diagnosis of a recognised disability or learning difficulty, medical condition or injury. Students may be given Disability Provisions for assessment tasks, based on evidence supplied to the Learning Support Coordinator, however, this is not automatically granted in the HSC examinations as the final decision for the granting of Disability Provisions can only be determined by NESAs.

Students eligible to apply for Disability Provisions need to see the Learning Support Coordinator to ensure the completion and submission of the relevant forms by the due date.

3.6 – Aboriginal Student Support

St Joseph's Catholic College Aberdeen would like to respectfully acknowledge the Wonnarua and Gamilaraay people who are the Traditional Custodians and First People of the land on which our school is built on. We pay our respects to the Elders past and present and we would like to extend our respect to the Aboriginal people, staff and students past and present of St Joseph's Aberdeen.

St Joseph's Catholic College Aberdeen has a vibrant Aboriginal student population who are supported and encouraged in their endeavours and studies by the Catholic College. All students at the Catholic College are educated in Aboriginal culture, spirituality and traditions.

St Joseph's Catholic College, through funding provided by the Catholic Schools Office, employs an Aboriginal Educational Teacher who works with students through an individual mentoring program and/or through provision of tutoring.

The Aboriginal Educational Teacher supports the senior students with Year 11 subject choices to find the right balance in their journey through their school life and to support the student through their various pathways after school such as:

- career notifications-information and traineeships
- university information camps and open days and alternative pathway entry
- scholarships and
- post school support.

Aboriginal Student leaders are involved in a range of activities under the guidance of the Aboriginal Teacher in relation to the celebration of days of significance, for example Reconciliation Week. Care is taken to encourage students, families and staff to immerse themselves in, an appreciation and understanding of our shared Aboriginal heritage.

Our school welcomes active participation by members of our Aboriginal community in the education of our students.

3.7 – Course Changes, Dropping Subjects & Pathways Students

For students to change courses, the principal must be satisfied that they will be able to complete all course outcomes before the completion of the Year 11 course. NESA entrance and completion dates for courses must be adhered to. Students wishing to change courses or drop a subject must make an appointment to see the Assistant Principal Curriculum to discuss the matter.

3.8 – VET Courses and Assessment

Vocational Education & Training (VET) courses are competency based and no internal assessment mark is required. Competencies are recorded and can be accessed using the Unique Student Identifier (USI).

There is no pass or failure in the VET system; students are either deemed competent or not yet competent for each unit. Hence, assessment in VET is ongoing throughout the course and may consist of a combination of written, practical tasks or demonstrations. All units of competency will count towards the student's achievement of the AQF (Australian Qualification Framework) Certificate, which may be awarded at the end of the year provided all units of competency are achieved.

Whenever students are being formally assessed, they need to follow the same guidelines set out in this handbook, i.e. absence, illness, misadventure etc.

Assessments may be conducted for individuals or groups. Assessment tasks (written or practical) are required to be completed or demonstrated to a particular standard specified in the training package for that qualification to be deemed 'Competent'. If a student is assessed as being 'Not Yet Competent' in a particular unit of competency, they will be required to be reassessed. Students have three attempts to show they are competent in a Unit of Competency, up until a date determined by the teacher. A unit of work will not be reassessed after it has been delivered and THREE assessment opportunities provided.

Work Placement – as a part of the formal assessment for VET courses, there is a compulsory work placement of 35 hours per year (70 hours in total). The rules for absence or misadventure as set out in this handbook apply as well.

Note: HSC examinations for VET students – students wishing to use their VET course towards their ATAR (where the subject is deemed eligible) – can choose to undertake the written NESA examination and will nominate this option during the HSC year. The written examination is independent of the competency-based assessment undertaken during the course. The marks achieved by students in the examination are used for the ATAR calculation only.

3.9 – TAFE/Traineeship students

Students enrolling in TAFE will need to liaise with the TAFE college they attend regarding assessment requirements for the course. It is the student's responsibility to be aware of the specific requirements for their course.

3.10 – Distance Education students

Students enrolling in Distance Education Courses will need to liaise with the Distance Education School regarding assessment requirements for the course. It is the student's responsibility to be aware of the specific requirements for their course. Generally, students have a phone and/or web lesson weekly and report to the library for study lessons at which time they will work on their Distance Education course work. The school will support the Distance Education students the best they can, with the resources available.

Section 4 – Assessment Documentation

4.1 – Referencing Guide

The **Harvard Reference Generator** tool is designed to create references for your bibliography in the correct form. The SJA Librarian recommends Neil's Tool Box: <http://www.neilstoolbox.com/> and for a Plagiarism Checker: <http://www.neilstoolbox.com/plagiarism-tester/index.htm>
